# TO YOU WE DEDICATE

*"The gentleman is a man of truth, lord of his own actions, and expressing that lordship in his behavior, not in any manner dependent and servile either on persons, or opinions, or possessions. Beyond this fact of truth and real force, the word denotes good nature or benevolence; manhood first and then gentleness."*

*—Ralph Waldo Emerson*

*This newly constructed bridge plays an important role in each of our lives and is strongly symbolic in many ways. Just as this structure connects two different sections, Balboa High is the bridging force connecting two separate portions in our lives. As freshmen we begin our trip across the bridge; from this position the looming structure and awe-inspiring immenseness of the bridge enfold us with an overwhelming feeling of smallness, and the end of our trip appears very distant. As sophomores and juniors we have greatly progressed on our journey and in the process obtained immeasurable knowledge which will remain with us always. As seniors we have reached the end of our trip across the bridge, and only then do we finally realize the shortness of our journey and the significance of our next step in life. Yet our bridge is a sturdy one and has adequately upheld us on our journey. With this assurance we embark with a feeling of confidence.*

## *Junior Class History*

The month of October was a month of important decisions for our Junior Class. The time had come to choose a class ring which would symbolize appropriately our relationship with Balboa High. We chose a gold ring with a mother-of-pearl background and black and gold inlay. A ship transiting the Panama Canal is depicted in the center of the ring, thus denoting a special remembrance and feeling of pride for the members of the Class of '64.

In the latter part of October, the first of a series of meetings was held to begin plans for the Christmas Formal. Diane Lewis was elected chairman of the committee, and she in turn appointed several subcommittees to carry out the numerous jobs necessary in planning a successful dance.

"Christmas Wonderland" was the theme of this year's Christmas Formal. Ken Darlington was Master of Ceremonies and officiated during the coronation of Queen Paula Craig. The Queen's attendants were Sue Rathgeber, Gene Kent, Rochelle Egudin, and Ann Beers.

The Junior showcases were all very successful and a definite credit to our class.

The Junior-Senior Banquet and the Junior-Senior Prom, both sponsored by the Junior Class, were very well planned and showed the great originality and hard work contributed by the respective committees. These activities honored the departing Senior Class, whose varied achievements will be a great incentive for us next year.

## *Sophomore Class History*

*This past year has been very eventful for the Sophomore Class. As always, we had our ups and downs, but mostly ups!*

*The first major operation of our class was that of electing officers to lead us through our second year at Balboa High. We voted George Linfors President, Steve Cunningham Vice-President, and Sue Lessiack Secretary.*

*A cheering contest, an attempt to raise the school spirit, was another event sponsored by our class.*

*Off and on all year, mighty Sophomores could be seen with bulldog pictures pinned to their clothes. To the wearer, it signified that he was a proud and happy Sophomore.*

*From the beginning of the year, our committees were organized and working steadily. Special recognition should be given to the Sadie Hawkins Dance Committee whose hard work made this year's dance the best one yet.*

*In January the Sophomores and Juniors had an interesting debate on Capital Punishment.*

*If our future years reward us as much as this past year has, we will be well on our way to a full and satisfying adult life. High in our memories will always be our wonderful Sophomore year at Balboa High School.*

## Meet the ZONIAN STAFF

In September the staff, under the guidance of Mr. Bradford, plunged right into the unfamiliar work of preparing dummies, ladders and copy for your 1963 ZONIAN. Soon we were in full swing, frantically meeting the first deadline. Till March when the final pages were sent to the publishers, we went through many ups and downs, tears and laughter, and gallons of midnight oil. Before we had a chance to catch our breath, we were back to work, planning next year's ZONIAN.

We now proudly present the 1963 ZONIAN, hoping it will bring you many hours of enjoyment now and in the years to come.

Well, don't look so disgusted, I know this was supposed to be done last week, but . . .

Don't look that way; the walk to Kansas City isn't so far, and besides, when you get there tell them . . .

Who are you looking for?  
Oh, I'm looking for Mr. Speir.

Well, for gosh sake, he's in his office

That's all we need, a comedian!

Practice, practice. That's what this  
job needs, plenty of practice.

Betcha take a lot of good pictures?

But, my good fellow, we are disciples of  
the great Stanislavsky; and he always said,  
"Practice makes perfect!"

I don't care what anyone thinks. I  
think that it'll look nice. And put  
that towel away!! *Nothing* will  
change my mind.

"The Parrakeet," our school newspaper, is one of which we can all be proud. The staff has worked hard all year to keep B.H.S. students up to date on all news and activities on and around the campus. The capable staff guided by its sponsor, Mr. F. S. Brown, and headed by editor, Dave Cohen, and his assistant, Nancy Combecker, are to be commended for a wonderful job well done.
